

**RHR Latest Refurb Price and Product List as of September 22, 2021**

**Prices good while supplies last. Please note our systems sell out quickly.**

If you need a system, it's in your best interest to order or place a deposit on a system immediately so we can hold a system for you. We will hold any system for 24 hours as long as payment is made within that 24-hour period. IF the system you want is not available, we will offer you an equal or BETTER system at the same price. Our customers are our only priority. We want you to be happy and share your experience with others. All of our systems come loaded with Windows 10 Home or Pro, and most systems are upgradeable to Windows 11 once its available. All systems can be preloaded with Linux if you so desire at no extra charge. You just tell us the version you want installed and it will be installed and updated for you with the latest apps that Linux users love.

Just so you know...

We offer the BEST prices on the BEST systems and we have numerous customers to provide you with their experience with us if you so desire.

We are local. We are honest. We are the best in the business, bar none. We can be reached at 859.985.0050 or via our websites located at [www.mitekcomputers.com](http://www.mitekcomputers.com) or [www.roadhouserefurbs.com](http://www.roadhouserefurbs.com) or on [nextdoor.com](http://nextdoor.com)

## **PAYMENT OPTIONS**

=====

Personal and business checks for local customers.

Cash is KING.

PayPal via <https://paypal.me/mitetekcomputers>

PayPal credit.

We can email an invoice where you can pay securely and online using any major credit card.

Please note payments made via PayPal or Credit Card will incur a 3.5% merchant fee that we are charged in order to accept credit cards.

We also accept Square with the same CC charges as all credit card payments.

We apologize and we do despise having to do this, BUT our profit margins are so thin, we must have our clients pay the fees we are charged for accepting credit cards.
